Our programs provide activities to enrich and promote the spiritual and academic requirements of our students as well as enhance their physical, social and emotional needs. As a Christian Preschool, our teaching of Jesus Christ and His eternal love for us is paramount. Bible stories, prayer and Christian songs are part of our daily program and the children sing at several church services during the school year.

Our Three Year Old Program is focused on the socialization and overall enrichment of the young mind. Your three year old will:

1. make the transition adjustment from home to school
2. learn to play and get along with others as a Christian
3. learn to function as a whole group instead of just an individual
4. make their own decisions during playtime
5. experience art, music, math and science
6. strengthen language skills
7. recognize colors, shapes and numbers

Our Four Year Old Program will assist in the preparation your child will require for kindergarten. Our main objectives will be:

1. counting and number recognition
2. letter recognition and duplication
3. writing their name
4. opposites
5. following directions
6. strengthening listening skills
7. learning their address and phone number
8. expressing themselves using acceptable behavior
9. use of scissors, glue, paint and a variety of mediums

Our **Young Five's Program** will promote the academia for children who are either not old enough to begin kindergarten or require additional social or academic support before entering kindergarten.

1. reading development
2. musical instruments will be implemented to enhance auditory controls
3. physical exercise to sharpen physical controls i.e. jumping jacks, jump rope
4. basic math practices
5. exploratory sciences
6. reading comprehension
7. fine motor skills
8. social skills
